EX-PASTOR OF CHURCH HERE DIES

Closing a career of 40 years in the ministry, death came Wednesday to the Rev. Clarence H. Stevens, retired pastor of the First Congregational Church of Redwood City.

The Rev. Mr. Stevens had been in ill health for some time. He passed away at the Palo Alto Hospital, where he was taken five days ago.

The Rev. Mr. Stevens is survived by his widow, Mrs. Hattie G. Stevens; his mother, Mrs. Sarah W. Stevens, and brother, Everett L. Stevens, both of San Francisco, and two daughters and three sons. They are Mrs. Louise S. Doxsee and Miss Ruth M. Stevens of Redwood City; Arthur E. Stevens of Chicago, and Paul W. and William P. Stevens, both of San Francisco.

Born in Philadelphia 64 years ago, the Rev. Mr. Stevens received his education in theology at the Moody Institute in Chicago and at the Iliff School of Theology, a Methodist seminary in Denver. He married Miss Hattie Geselbracht in 1893.

After serving pastorates in Chicago and Denver for eight years, he came to California, where for 32 years he was active in Congregational pulpits.

In addition to the 13 years he was pastor in Redwood City, the Rev. Mr. Stevens also had charges in San Francisco, Martinez, Oroville, San Rafael and Lodi. After leaving Redwood City in 1922, he went to Lodi for five years and lived in Palo Alto for two years.

Mr. Stevens was a member of Redwood City Lodge No. 168, Free and Accepted Masons. He was also affiliated with the Redwood City Kiwanis Club and the Exchange Club of Lodi.

Judges Must Show Cause On April 7th

The state supreme court, through Chief Justice William H. Waste, today has issued an alternate writ of mandate requiring San Mateo county's two superior court judges, Franklin Swart and Maxwell McNutt, to show cause on April 7 why they should not act on the qualification board as provided by the new county charter.

The case is that of Pansy J. Abbott, county superintendent of schools, vs. the two judges.

It is provided in the charter that the county superintendent as secretary must call the qualification board together, for the purpose of selecting candidates for the office of county executive.

Several persons have attacked this provision, asserting the judges cannot legally serve on such a board and the jurists have declined to act.

The matter will be heard in the supreme court at 10 a. m.

The speakers will be the Rev. Father Thomas Dowling, Robert L. McWilliams, past state advocate; Justin McCarthy, grand knight, and Edmund Scott, past district deputy.

Madison Avenue Pullet Produces 8 3-8 Inch Egg

A nine months old White Rock pullet owned by Mrs. H. C. Bahr, 1114 Madison avenue, has just produced an unusually large egg.. It is 8 3-8 inches around one way, and 6 3-16 inches the other.

About a year ago, a hen owned by Mrs. James Borgie, 869 Jefferson avenue, layed a 7 7-8 inch by 6 5-8 inch egg, which was something of a local achievement until a Plymouth Rock pullet owned by H. E. Swanson, 1304 Jefferson avenue, cackled over an egg that measured 9¼ inches from tip to tip and back, and 7¾ inches in circumference.

A hen belonging to Mrs. Ida Hubell laid one complete egg within another, and the other one measured 6½ by 4½ inches.

City Marking Time While Legal Lights Decide How Beer May Be Sold Locally

"When," asked Councilman Henry Beeger Monday, at a city council meeting in the firehouse auditorium, "are we going to repeal our Little Volstead act?"

The question was prompted by the action in congress to legalize 3.2 per cent beer, wine and fruit juices.

Redwood City's dry act, passed in 1921, prohibits the sale or possession of beverages with more than one-half of one per cent alcoholic content.

The council asked City Attorney Albert Mansfield for his advice.

Mansfield said that there was a considerable difference of opinion among the various cities of the state as to what should be done. The people of California, at the November election, adopted No. 2 on the ballot, an initiative constitutional amendment, which gives the state the exclusive right to license and regulate the manufacture, sale, possession, transportation, importation and exportation of intoxicating liquors.

The city attorney said he agreed with Chester Rowell, who wrote the arguments against the measure. Rowell said: "What this amendment professes to confer on the state is not the power to regulate, which would exist anyway, but the 'exclusive' power that is, the limitation of the power to the state, exclusive of any right in the localities.

"No authorization is given even to the state to prohibit or to authorize local prohibition, and the right of any sort of regulation is taken from the counties and the cities entirely. State regulation would naturally have to be by uniform law, the same everywhere. The permission of the sale of beer and wine is made expressly and constitutionally compulsory everywhere, beyond even the power of the legislature to prevent, and that of hard liquor is contingently so. It would have to be permitted everywhere under any conditions by which it was authorized anywhere."

With congressional approval given beer, whatever regulations are made in Redwood City will have to follow action taken by the state, and will have to be based on an interpretation of the laws by the attorney general, Mansfield said.

It was also pointed out that 3.2 per cent beer is not considered intoxicating, legally, else it could not be legalized while the 18th amendment is in effect. This is also a factor to be considered in any regulatory steps.

Any regulatory ordinance passed by the city could at the same time repeal the city's present dry law, Mansfield said. The council decided to delay action until more light is thrown upon the matter.

SCOTT STATES OPINION

An opinion that the supervisors are "premature" in considering beer and wine legislation at this time was expressed to the board by District Attorney Edmund Scott Monday.

Scott agreed, however, that there was no harm in the board giving the matter its serious thought so that its wishes may be made known when the proper time to draft the ordinance arrives.

Under the "soft drink" ordinance, which might cover the 3.2 per cent "non-intoxicating" beer, the county could collect only $4 per year in regulatory fees.

Because of this, the supervisors will probably adopt a new ordinance providing for revenue, as well.

The last liquor ordinance, adopted in 1907 and never repealed, fixed three classifications for licenses: $120 for saloons; $75 for places handling packages of bottled goods, and $50 for restaurants and hotels serving wine and beer.

Fifth Applicant Seeks Post As New S. M. Co. Executive

Bringing the number of applications to five, Albert Ackerman, 40, of 202 Langdon avenue, Mt. Vernon, N. Y., Monday applied for the position of chief executive of San Mateo county.

At the same time, H. S. Throckmorton, Los Angeles employe of the division of highways of California, requested information from County Clerk Elmore B. Hinman as to how the position is to be filled.

Roland C. Koehler, of Pontiac, Mich., who was among the first to apply and who was notified that the position is open only to California residents, writes back that he believes this unfair.

He suggests giving "native sons" five extra points for local residence and that if the "outsider" then exceeded in points that he be given consideration.

Randall M. Dorton's application for the post is endorsed by Samuel C. May, University of California professor, in a letter on file today.

Dorton, city manager of Monterey, was the second to file for the post.

Richard E. Savage of Redwood City, a civil engineer employed by the state railroad commission, was first to file.

Applications are being held by County Clerk Hinman pending the formation of the qualification board, which will make its recommendations to the board of supervisors.

Camp Site in Memorial Park For Veterans

Veterans of San Mateo county were granted a 3.2-acre site in Memorial Park at Pescadero as their special camping ground by action of the board of supervisors here Monday.

The camp site is situated at the fork of the Peterson and Pescadero creeks and was picked out by a veterans' committee and the board at a recent trip to the park.

The veterans plan to build a clubhouse on the site at their own expense. Organizations participating are the American Legion, Veterans of Foreign Wars, Disabled American Veterans, United Spanish War Veterans and the Forty and Eight.

Schwerin Ex-Officer Of 'Old Ironsides'

R. P. Schwerin, retired San Mateo shipping man, was revealed today to be one of two of the remaining one-time officers of the old U.S.S. Constitution, soon to arrive in San Francisco bay.

Schwerin, who graduated from Annapolis in 1879, was an instructor of the watch officers until the "Old Ironsides" was put out of commission in 1882. He resigned from the navy in 1893.

TRAILER HITS SIGNAL

Exhibition Bld'g Fund Return Is Given Approval

The senate governmental efficiency committee at Sacramento today approved for passage a senate fact finding committee bill returning to the general treasury a $250,000 appropriation made by the 1931 legislature for the San Francisco-San Mateo agriculture exhibition building. This news was brought here this afternoon by the Associated Press.

600 Hogs to Be Seen at S. S. F. Livestock Show

SOUTH SAN FRANCISCO, Mar. 21.—With more than 600 head of hogs entered at the sixth annual Junior Livestock and Baby Beef Show to be held at the Union Stockyards, South San Francisco, April 10 to 13, there is every indication that the coming exhibition will continue to hold its own as one of the country's finest displays of porkers.

'Ty' Cobb Baseball Sent Salt Lake Boy

A "Ty Cobb" baseball, autographed by the world famous ball player himself, today was sent to Salt Lake City to become the prized possession of one of the sons of Oscar A. Kirkham, national Boy Scout executive, who visited Redwood City recently.

James D. Hedge of the local Boy Scout committee arranged for Cobb to sign the baseball after speaking at a scout rally for Kirkham.

LIMITS ON BUSINESS AREA ASKED

The city council Monday received a letter from the chamber of commerce, which stated that the retailers' division of the organization had urged concentration of the city's business district and the prevention of further extension of business areas.

A letter from Howard I. Wood, manager of the chamber, which accompanied a copy of the retailers' communication (signed by W. D. Ryan, chairman), stated the chamber's readiness to appoint a committee or cooperate in any other way with the council, in connection with this problem.

Councilmen were divided in their opinions last night as to the desirability or possibility of rezoning areas now in the business district. They were willing, however, to consider any petitions which might be presented, or to sit with the chamber of commerce in an investigation of the matter.

At the request of Mrs. Z. T. Thorning, chairman of the local Red Cross chapter, and Elmore B. Hinman, the council appropriated sufficient funds to carry on the free bread baking program here. The bread is baked by local bakers at cost, from flour supplied by the national Red Cross, and distributed to unemployed and destitute families. Over 17,000 loaves have been baked to date.

A communication from the chamber of commerce urging that the city business license laws be enforced without favor, was read. A war veteran who asked to be exempted from license requirements was denied the privilege The motion to uphold the chamber's recommendation was made by Councilman Robert Jones and seconded by Councilman Charles G. Lambert.

At the request of the public library trustees, the council agreed to urge the architect for the new postoffice, when he is appointed, to design it with a view towards an harmonious civic center.

Permission was denied Foster & Kleiser to erect a billboard on El Camino Real, on motion of Charles Hildebrant, seconded by George McNulty.

The council set April 1 as the deadline for the removal of a Holt real estate sign on El Camino Real near Whipple avenue.

August Fromm Candidate for School Board

August J. Fromm, Redwood City hotel man, late Monday filed his candidacy for a place on the board of trustees of the Sequoia Union High School District. Filing time closed at midnight.

He announces a "fearless, unbiased policy for tax reduction for the overburdened taxpayers without impairing the present high standards of education" as his program.

Fromm will oppose Charles H. Merrill and Merritt R. Hosmer, for one of the two places on the school board.

The election will be held March 31.

Merrill, whose home is in Menlo Park, is completing his sixth term on the board. Hosmer, of San Carlos, has been a member of the board for the past two years.

Other members of the board are James D. Hedge, president; Walter W. Hilton, secretary, and Walter T. Kellogg, all of Redwood City.

For the Redwood City Elementary School Board, C. G. Uhlenberg, 158 Fulton street, this city, is unopposed. The election will also be held on March 31.

P. A. Resident Dies In San Francisco

PALO ALTO, Mar. 22.—George Tourny, 72, whose local residence is here and who is president of the San Francisco Bank, was stricken at his San Francisco apartment yesterday of a heart ailment. Overwork during the bank holiday is believed to have proved too much of a strain as he was recovering from an attack of influenza.

Tourny was also treasurer of the University of California at the time of his death.

Surviving him are his wife, Marie Tourny, and a daughter, Mrs. George M. Cox, both living in Palo Alto, and a second daughter, Mrs. Marguerite Meigs, wife of J. J. Meigs, San Francisco broker. Mrs. Tourny herself is ill.

SENTENCES PASSED

DALY CITY, Mar. 21.—Ted M. Wolff of San Francisco and six girl entertainers arrested in a raid on an asserted disorderly show in the Louvchen gardens in Colma by Sheriff James J. McGrath on February 1 were given 150-day suspended jail terms today by Police Judge Ellis Johnson, Daly City.

COUNTY DOG ORDINANCE IS DELAYED

San Mateo county's proposed dog license ordinance was held up today for further study by the board of supervisors.

The ordinance, drafted by District Attorney Edmund Scott at the board's request after Frank Isidoro, local sheep rancher, had protested killing of several hundred animals by stray dogs, creates the office of county poundmaster.

The poundmaster would obtain a salary of $100 per month and 50 cents for each dog impounded. He would also be allowed 10 cents per day for keep of the impounded dogs.

Applications for licenses would be made to the county clerk with a deposit of 25 cents. Fifty cents additional would be paid on securing the metal identification tag.

Failure to license dogs three months old or over would result in a $1 penalty. Impounded dogs could be redeemed at the rate of $2 per head, plus board.

The board will give further consideration to the ordinance at the meeting on April 3.

Job Projects Before Board For Approval

County relief projects totaling $3,735 were before the board of supervisors here Monday and won approval.

The projects include rocking of shoulders on Ralston avenue and other improvements in Belmont to cost $2,025;

Grading of Bepler street in Daly City, $300;

Improving of the grounds of the Jefferson high school, Daly City, $120;

Wilsey Libel Action Nears Trial Stage

City Manager Earl P. Wilsey's special and general demurrer to the answer filed by R. P. Schwerin, of San Mateo, in the former's $100,000 suit for libel, was overruled today by Superior Judge Franklin Swart.

Wilsey, San Mateo city manager, is suing Schwerin for asserted remarks in which Wilsey was declared to have collected his share of garbage dump fees at San Mateo.

In his demurrer to Schwerin's answer, Wilsey declared that the answer did not state facts "sufficient to constitute a defense."

Overruling of the demurrer places the case ready for trial before a jury. Date of trial has not been set.

Wyatt Is Author Of Highway Poem

Roscoe D. Wyatt, manager of the San Mateo County Chamber of Commerce, has written the following tribute to those who blazed the trail of what is today the El Camino Real:

"EL CAMINO REAL"
(By ROSCOE D. WYATT)

By tawny men this trail was trod,
Some Spanish soldiers passed one day,
Then sandaled feet soon pressed the sod,
And Missions marked the King's highway.

A score of them, a day apart,
With red-tiled roofs o'er walls of gray,
Became precursors of an art,
Preceptors of the present day.

Today this Mission Trail extends,
From Torrey pines to Redwood Groves,
Beside madrone and live oak, trends
O'er hill and dale, by hidden coves.

It leads us by the Sunset Sea,
And hark! a Mission bell is tolled
Just as in days that used to be,
It called the faithful to the fold.

GIVEN 180 DAYS

DALY CITY, Mar. 18.—H. G. McGlumphey, 40, barber, was given a 180-day sentence in the county jail today by Justice of the Peace Ellis Johnson for disturbing the peace.

Bids Called To Sell More Co. Relief Bonds

Bids were called for Monday by the board of supervisors for the sale of a second block of $124,000 worth of county relief bonds.

The first block, for $112,000, was sold in December. A low interest rate of 3½ per cent was offered and accepted.

During the bank holidays, the county questioned the advisability of offering any additional bonds for fear no low-interest bids would be received.

Improvement noted in financial circles since the banks reopened today caused District Attorney Edmund Scott to request permission to call for bids on the $124,000 block. Fourteen thousand dollars worth of the $350,000 issue will remain after the present sale.

War Veteran Hangs Self, N. Fair Oaks

Harry Henry, 49, also known as Harry Henry Graves, World War veteran and inmate of the United States Veterans' Hospital near North Palo Alto, from which he disappeared Friday, was found hanging from a rafter in the garage of his brother's home in North Fair Oaks Sunday.

The brother, Isaac Henry, found the body about 11 a. m.

Henry used a one-half-inch manila rope to kill himself. He had jumped off a three-foot block after tying the rope to a rafter in the garage.

Isaac Henry said he left his brother about 9 a. m. in apparently good spirits. When he came back and found him missing, he summoned a neighbor, John Erickson, and the pair found the body. Isaac Henry said he was to have returned his brother to the hospital today.

It is believed that Henry took his life rather than return to the institution. He had been there about a month after being transferred from the Letterman Hospital in San Francisco, where he had been confined for about eight months.

The Henry home in North Fair Oaks is on Seventh avenue.

Deupty Sheriff Joseph Meeks, who received the call, summoned Deputy Sheriff Joseph Meeks, who investigated. Deputy Coroner John Layng claimed the body.

Young Stanford Co-Ed Is Bride Of Peninsulan

Miss Mary Elizabeth Hatfield, 19-year-old Stanford co-ed and daughter of George J. Hatfield, former United States attorney in San Francisco, was en route home Monday from Reno as the bride of a young San Mateo business man.

Miss Hatfield, a freshman student, eloped with Charles W. Gracier, 25, after explaining to co-ed friends that she was "just going away for the week-end."

Her father, who recently resigned as chief federal prosecutor, was not in on the secret wedding.

"She's old enough to know what she wants to do," he said, "but I thought she was going through college."

Postoffice Site Now Being Cleared

The new postoffice site is being cleared preparatory to starting the proposed building. Yesterday an old oak that stood the storms for maybe a thousand years was cut down. Perhaps it was a vigorous tree when old Omar Khayyam was writing his Rubaiyat, that brought a new philosophy to the world in the eleventh century. The old dwelling that stood near the tree is to be removed. It, too, is an old landmark, being erected in the early eighties. It was for many years the home of the late L. Cook.

BOY, 18, ADMITS CRIME CAREER, THEN SUICIDES

Admits Gun Attack, Then Fashions Noose From Blanket

COMPANION HELD

Body Cut Down Too Late to Bring Back Life

Fearing the consequences of his crime career or burdened with remorse, George Gernandt, 18, of 6 Regent street, San Francisco, a student in the Jefferson Union High School, Daly City, fashioned a noose from strips of his blanket and hanged himself at the county jail in Redwood City early Thursday.

Before taking his life, the youth admitted wounding Edwin Ghent, 28, of 155 Irvington street, Daly City, Tuesday night after stealing a car, and the shooting of William G. Euler, Pacific Gas and Electric Company engineer, on the Lake Side golf course on February 22, during a holdup. He implicated a companion, Ernest Ruiz, 16, a caddy.

He denied any implication in the shooting of Paul Hanson in the "honor slaying" in San Francisco a year ago.

Gerandt, when discovered by Deputy Sheriff Floyd Glennan, night jailer, was not yet dead, but died at 10 o'clock this morning in the Community Hospital.

Glennan discovered the youth hanging to the front door of his cell about 11:30 o'clock, after feeding him a special meal about 11 o'clock last night.

Faces Wounded Victim

The youth was brought here about 10:45 o'clock last night by Sheriff J. J. McGrath and deputies after confessing the Ghent and Euler shootings. He was taken to the bedside of Ghent in the South San Francisco Hospital and confessed after being recognized by his victim. Ghent is still in a serious condition.

The confession, McGrath said, was made in the presence of himself, Undersheriff Lawrence Nieri, Police Chief Jack Doyle, Daly City; Constable Silvio Landini, Colma, and Deputy District Attorney Harold F. Anderson.

Gernandt, who had not eaten during the day, requested some food after being locked up. Glennan went to the jail kitchen and prepared a dish of spaghetti. He brought it upstairs and then left the lad alone. About 15 minutes later he came back and was startled to find the youth hanging to the top of the cell.

Mother Collapses

Rushing back downstairs, Glennan secured a butcher knife and cut the youth loose. He stretched him out on the cot and summoned trustees to give him a hand at artificial respiration. Dr. Harry E. Mason, the jail doctor, also was summoned.

Unable to revive the youth, the doctor ordered him taken to the hospital. Gernandt did not regain consciousness.

The lad's mother, Mrs. William Gernandt, who is reported to be deaf and dumb, collapsed at the hospital this morning when she reached the bedside of her son. He died a few minutes after she arrived. The boy's father, who is also deaf, was present at the bedside when the youth died.

Implicates Companion

Ruiz, of 64 Rice street, San Francisco, whom Gernandt implicated in his crime career, was arrested at his home in San Francisco last night and was brought here to face questioning.

Ruiz, according to District Attorney Edmund Scott, admitted participating in the automobile theft and the holdup of Euler.

The youth denied any part in the "honor slaying" of Hanson, who was shot dead when he thwarted a "petting party" holdup.

Scott said that Ruiz will probably be charged here with grand theft for stealing the automobile of Mrs. Ella McKee of Daly City. San Francisco, he said, may bring more serious charges against Ruiz.

'Better Times' Week Arranged By Merchants

Suit Follows Bayshore Dog Track Failure

Failure to go through with plans for building a dog track in the new town of Bayshore in Northern San Mateo county resulted today in the filing of a $50,000 lawsuit in the San Francisco courts.

J. R. Martin is suing the Belmont Greyhound Breeders' Association, the San Mateo Greyhound Breeders' Association and P. P. O'Connor, Albert Mansfield, G. M. Todhunter, George Sawyer, Thomas Keen and J. G. Foppiano.

Martin says he entered into an agreement with O'Connor and associates to promote the Bayshore incorporation and take an option on a track site, but that they have failed to carry out the agreement

Churches Will Request 'Quake Funds Sunday

Sunday, March 26, has been designated Red Cross Sunday by churches throughout the Pacific States, at which time funds for the disaster relief work in Southern California will be raised. The service will be in the nature of a memorial and a thank offering.

Archbishop Edward J. Hanna of the Roman Catholic diocese has addressed an appeal to all churches within his jurisdiction to make appropriate observance and assist in every way possible the humanitarian work.

Other leaders, representative of every religious faith, are calling upon their memberships to make a special offering to Red Cross funds next Sunday.

While the church leaders were active in plans for Southern California disaster relief work, A. L. Schafer, director of the Red Cross disaster relief units now in the Long Beach area, announced close to 1400 families who suffered losses in the shocks of March 10 have thus far applied to the Red Cross for assistance.

Gov. James Rolph Jr., disturbed by the delay manifested by citizens in raising the Red Cross $500,000 fund, has issued another appeal.

Suicide's Farewell Written In Blood

Writing a note in blood in which he bid goodbye to a Burlingame girl, Edward Roche, 25, helper at the Southern Pacific Hospital, San Francisco, apparently took his own life in front of the institution early Tuesday. His body was found in his car. He is believed to have taken poison.

The note read:

"Goodbye, Sadie.. I'm sorry it had to happen in the car. Goodby, Evelyn. See Westcott of the state accident insurance. He will make you happy."

The note was signed in blood, from a pricked finger, with the words "I love you."

The automobile was registered to Mrs. Sadie Royce, 1250 Seventy-eighth avenue, Oakland.

The "Evelyn" referred to is believed to be Mrs. Royce's daughter, a maid in a Burlingame home.

WIFE GETS DIVORCE

Mrs. Bella Busa today was granted a final decree of divorce from Don Busa, chauffeur for a San Mateo firm and former driver for a local market, whom she charged with cruelty. Custody of Harry Busa, their minor son, was awarded to the plaintiff. Superior Judge Maxwell McNutt awarded the decree.

Public Buildings Must Be Safe

A coroner's inquest in Los Angeles to inquire into the cause of the death of two boys killed in a school building when the earthquake destroyed it brought out the fact that in school construction in the city this hazard was not taken into account. By the narrowest margin a frightful disaster was averted. Had the shock come three hours earlier, hundreds of school children would have been killed and thousands injured.

There is no excuse for this neglect. Everybody knows that the Pacific coast is subject to earthquakes. Geologists had issued warnings time and again that a severe shock in Southern California was due in the near future. Yet no attention was paid to them. Violent earthquakes had not occurred since Los Angeles grew from a small city into a great metropolis, and the people apparently took it for granted that the immunity was permanent. Even those whose duty it was to provide building regulations gave this risk no consideration.

The menace to life and property from this destructive force calls for rigid state-wide regulation and inspection. No public building construction in any part of the state subject to seismic disturbances should be permitted save under rules and supervision insuring material the resisting power of which is ample to withstand them.

Cause of Hitlerism

From the Versailles treaty onward, the German republic was subjected by France in particular to humiliation, insult and opprobrium.

It was burdened with an impossible reparations burden; and every step toward economic recovery was impeded and obstructed by the bankers of Paris. Even so mild a measure as the proposed customs union with Austria was treated as a criminal offense.

In the French pursuit of the elusive phantom of security with its corrolary a Germany to be kept bound down and manacled forever, Hitlerism was born, was nourished and now finally has triumphed.

It is the answer of the smouldering resentment in patriotic German hearts now bursting into flame.

Senator Key Pittman of Nevada should prove to be a most valuable man at the head of that most important committee on foreign affairs, the chairmanship having just stepped across from Idaho to Nevada.

The Hoovers are back in their home state of California, probably breathing sighs of relief.

Crucifying Old Man Gloom is being undertaken in many communities at this time.

Menlo Park

The American Legion Post of Menlo Park will give a card party on Thursday, March 30. On April 6 the Native Sons and Daughters will also hold a whist party.

Ellery Walter, writer, lecturer, and world traveler, was a weekend guest at the Menlo Park home of Mr. and Mrs. Charles H. Merrill. An assemblage of 50 or more friends and neighbors was invited to meet him Saturday evening and hear him talk informally on "The German Youth Movement." Mr. Walter is just back after a year of study at the University of Berlin and is now on a lecture tour. In May he plans to return to the peninsula for a longer visit with the Merrills. At that time he will bring his wife, whom he married just before his departure for Germany last year.

Every citizen is urged to vote for Charles Merrill, incumbent high school trustee. He has served for many years and is a faithful public servant who works without any compensation. Mr. Merrill should be retained on the board. He represents this section on the board. If Mr. Merrill is defeated we would not have any representation. Give him a unanimous vote. The election takes place on Friday next.

Mayor Weeden and K. L. Martin returned Monday from Coulterville where they installed two stamp mills in one of the mines there. They sold two others and have prospects for the sale of many others. The mill has proven a success. The group that own it, all Menlo Park men, will some day be millionaires.

Gordon Partee, St. Mary's College football player, spent the week-end in visiting friends in Menlo Park.

A branch of the Catholic Youth's Organization was started in Menlo Park this week. The object of the society is to encourage athletics among the youths of the village. Headquarters are to be fitted up so the boys may congregate to enjoy indoor games. Baseball, football, tennis and other games are to be indulged in. This organization is very popular in the eastern states. It promises to be a big factor in Menlo Park in training the youth for higher and better things of life. The entire city is behind the movement.

Plans for a garden lecture and tea at the Allied Arts Guild April 4 and for a "Days of '49" costume dance at the Woodside Country Club in May were discussed by the Menlo Park-Atherton group of the Junior Auxiliary to the Stanford Convalescent Home at a meeting held yesterday. The group was entertained by Mrs. Melville C. Thelkeld Jr.

The speaker at the April 4 event will be Mrs. Martha Phillips, who will talk on "Patios and Patio Gardens." The committee arranging a program of Spanish music for the tea hour afterward includes Mrs. Oliver Dibble Jr. and Mrs. Threlkeld.

The first of a series of play readings planned by a group of Woodside, Atherton and Menlo Park women for the spring will be given Friday, April 7, at the Woodside home of Mrs. Stewart Elliott. Mrs. Elliott, Mrs. Selah Chamberlain, Mrs. Cleveland Forbes, and Mrs. Silas Palmer are members of the committee arranging for the readings.

Signed by 84 Menlo citizens, a petition was sent today to Senator Harry Parkman and Assemblyman Frederick Peterson asking them to support a move to change section 172-A of the state penal code which now prohibits the sale of alcoholic beverages within one and one half miles of a college.

The petition, which asks that the restriction be limited to half a mile, is sponsored by Councilman E. J. Crane, who stated that the 84 signatures were obtained yesterday and that others could be obtained had not the petition been mailed to Sacramento today.

Signers of the petition pointed out that the old restriction had been made before the extensive use of the automobile and that consequently it means nothing today.

Co. Commissary To Solve Grocery Orders Studied

San Mateo county today is giving consideration to the establishment of a commissary to fill the food orders issued by the social service commission.

The subject was broached by Supervisor John W. Poole, Redwood City, at the board meeting here yesterday.

Mr. Poole said he believed the county could be saved considerable money by buying the food at wholesale and filling its own orders. County Purchasing Agent Ernest Werder bore him out in this.

Supervisor Albert Witt, Colma, said, however, that he did not want the county to "go into the grocery business."

The Peninsula Stores Ltd., with its principal offices in Burlingame, protested to the board its inclusion as a "chain store." The Purity stores also attacked the board's recent decision to swing the major relief business to the independents as "discriminatory."

Theater Features 'Boosters' Week'

Prompted by the prevailing optimism, inspired by the leadership of President Franklin D. Roosevelt, a "Boosters' Week" will be celebrated by all Fox West Coast Theaters in Northern California during the next seven days. The Fox-Sequoia Theater here is participating.

Renewed prosperity and faith in the national structure is the aim of this campaign, according to A. M. Bowles, division manager of the theater organization, whose theaters promise to offer the best of available entertainments for the specified week.

Cities throughout Northern California wherever there are Fox West Coast Theaters holdings will observe "Boosters' Week."

Redwood City 30 Years Ago

C. M. Uhlenberg, the popular grocer, is enlarging his store in the Hynding Building. It will be twice as large as before and yet not of sufficient capacity to meet his growing trade. Mr. Uhlenberg will also make an addition to his stock of groceries.

During the past two weeks, because of the absence of Professor Ramsey of the Romanic language department at Stanford, Stanley Smith has been acting as instructor of the second year Spanish Syntax class. This is quite an honor for Mr. Smith, who is still an undergraduate. He will continue the work during the absence of Professor Ramsey.

Commencing with tomorrow Walter Knight will put on the Sunday stage to run between Redwood City and Pescadero.

The United Gas and Electric Company has commenced the erection of a gashouse on their property near the electric light plant. The new building will contain the generators, scrubbers and purifiers.

Materials are already on the ground for boring the double track tunnel through the San Bruno hills. It will take some time to complete this work, as one of them will be nearly one mile in length. Three shafts will have to be sunk in different parts of the hill for ventilating purposes. When this work is finished it will lessen the distance by three miles, making the distance from San Jose to San Francisco about 47 miles. With the new and double tracks and the cut-offs the time from this city to San Francisco ought to be made in less than 40 minutes.

T. J. Wilson, the right-of-way agent of the Southern Pacific Company, was here Tuesday and in a conference with the town council stated that if the city would purchase enough of the Hanley and Benjamin properties south of the depot to make a continuation of the street leading to the island his company would bulkhead and build a substantial bridge across the creek and grade and macadamize the street to the Washington street crossing. The council has accepted Mr. Wilson's offer and will pay $380 for the property of which the company will donate $100.

The erection of the new carrying shop at Beeger's tannery is already under way, L. S. Bean having secured the contract. The building will be 40 by 100 feet and will contain four floors. It will be completed and in running order before May 1.

False Charity Data To Be Punishable

Giving of false information to the social service commission or other job or relief agencies in seeking aid is made a misdemeanor in an ordinance adopted by the board of supervisors here Monday.

Written aplications for aid and jobs must be made and all information requested by the agencies must be answered truthfully.

Tail Lights Must Be Red, Says Perussina

White lights on the rear of automobiles are not legal tail lights and will lead to citations, Capt. Paul Perussina of the state highway patrol in Redwood City warned motorists today.

Tail lights must be red, according to the California Vehicle Act, Perussina said. Enforcement of the code is in the interest of safety, the captain stated.

Irish Name Melts Heart of Justice

BURLINGAME, Mar. 18.—It would not do to assess a fine against a name like Patrick O'Malley Curry on St. Patrick's Day so Justice of the Peace Gus Risso merely said when Mrs. Curry appeared as a speeder yesterday, "Case dismissed." State Officer William J. Riley cited Mrs. Curry, who lives at 7 Sautern street, San Francisco.

Stanford Board Orders Salaries Cut 10 Per Cent

PALO ALTO, Mar. 18.—Ten per cent reduction in the salaries of members of the faculty and staff of Stanford University, effective during the academic year starting next October, had been voted today by the board of trustees. The action was not unexpected.

Dr. Ray Lyman Wilbur, president of the university, made the following announcement:

"Because of the uncertain financial situation, salaries of $1000 a year or over are reduced 10 per cent with the understanding that should the university's income exceed the present expectation a proportional distribution will be made to those affected."

Scout Officials to Renew Money Drive

Redwood City members of the southern division Boy Scout committee met Tuesday at noon at the Cottage Tea Room, on request of J. E. Morrish, finance campaign chairman.

Morrish asked his committee to renew its efforts after a three-week postponement of drive activities due to the banking holiday. Slightly over $1,200 had been realized in the initial stages of the drive, leaving a $300 clean up to enable Redwood City to reach its $1,500 quota.

Every member of the committee pledged whole hearted support, and divided the remaining prospect list. These prospects will be contacted within the next few days in the hopes of completing all solicitation by the end of the week.

Parkman Amends Nepotism Measure

Senator Harry L. Parkman of San Mateo county today had introduced an amendment into the upper house of the legislature barring the hiring of relatives of legislators in public offices.

Ingels' bill would become effective on January 1, 1935. Parkman's amendment won approval of the senate, but will come up for later consideration when the amended bill is introduced. Jail Lodger Is Suicide Victim; Help Too Late

Herbert C. Hampton, 53, recently a resident of the San Francisco shelter, who asked lodging at the South San Francisco jail Wednesday, was found dead on the floor of his cell several hours later.

According to Charles Lewis, another lodger at the jail, who was Hampton's cellmate, Hampton slashed himself across both legs with a razor blade about 4:30 this morning.

Lewis heard Hampton's groans and shouted for help, hoping to arouse members of the fire department in the same building. It was to no avail and Lewis was compelled to watch Hampton bleed to death.

Dr. J. C. McGovern, San Mateo county coroner, held an inquest over the body at 10:30 o'clock this morning and a verdict of suicide in the potter's field.

Hampton has no known relatives and left no note giving a reason for his suicide. was recorded.

For FINER meals from CHEAPER meat-cuts and vegetables

Electric RANGES MAKE CASH SAVINGS
...lower food costs...cut wasteful shrinkage

COOKING WITH LITTLE OR NO WATER, most successfully accomplished with the electric range, is more than a new kitchen practice. It saves time and money in food preparation.

When a large amount of water is used in cooking meats, much of the juicy meat flavor is drawn into the excess water. The meat becomes tough and tasteless. When vegetables are boiled vigorously in similar use of water, the most valuable and body-building nourishment goes into the water and is usually thrown away. Cooking with little or no water is important then because foods so cooked are more healthful and taste better.

The steady, even heat from the glowing coils in an electric range preserves the flavor and increases the tenderness of the least expensive meats and cheaper vegetables. Electric range cookery means finer meals at lower cost every day of the week. And what is most important of all, actual food shrinkage is 20 to 33 per cent less, a cash saving in the household food bill.

The best way to know why the electric range does these things is to look at the new 1933 models on display in our local office. Your electric dealer has them too. This year these new electric ranges of finer quality are lower than ever in price. Ask about the easy purchase terms on the new 1933 electric ranges.

Taxpayers - Attention!

Power Interests Make Secret Attack on Efforts of Redwood City to Extend Its Public Utilities

Misleading Letter of Julius Smith to Taxpayers Aids Power Interests

Real Issue Is Public Ownership Of Public Utilities

Charter Amendment Election Is of Vital Importance to Voters and Taxpayers

Proposition (a) to amend subdivision 12 of section 3 of the charter gives the City Council authority to acquire other utilities than the Water Department now owned by the City, but DOES NOT PERMIT THE COUNCIL THEREBY TO IMPOSE ANY GENERAL LIABILITY ON THE CITY OR ANY TAXES ON PRIVATELY OWNED PROPERTY.

This amendment does not remove any "constitutional safeguard." The borrowing of money by the City through sale of bonds must still be approved by two-thirds of the electors to be valid.

This amendment does not "vest in the City Council unlimited power to contract in behalf of the City." The power to contract for a utility without the consent of two-thirds of the voters is guarded by the provision of this amendment that "ALL PAYMENTS UNDER * * * CONTRACTS MADE BY THE CITY COUNCIL "SHALL BE MADE OUT OF THE REVENUE FUND" OF THE UTILITY, TO BE PURCHASED. There is not even a liability of the water works now owned by the City for the cost of acquisition of any new utility.

NO UNPROFITABLE UTILITY CAN BE ACQUIRED BY A CONTRACT OF THE COUNCIL because private capital would not be available excepting for the acquisition of a utility which has had a uniformly profitable experience over a period of years.

The purchase price of a new utility will not be fixed by FOUR MEMBERS of the Council nor even by all the Council. THE PRICE WILL BE THE REASONABLE VALUE OF SUCH UTILITY AS DETERMINED BY THE CALIFORNIA RAILROAD COMMISSION to which is committed the duty of conducting valuation proceedings and which the Council practically must use for the determination of the price of a utility reasonable to the private interests now owning such utility and to this City which is to acquire it.

THIS AMENDMENT CONFERS NO NEW POWER ON THE COUNCIL IN RESPECT TO FIXING THE RATES. Rates for water have been fixed by the Council for years and more recently for garbage collection and disposal. Water rates of Redwood City are lower than those fixed by the Railroad Commission for our locality. Garbage rates are the same as formerly charged by the private garbage collectors. THE COUNCIL WILL NOT AND PRACTICALLY CANNOT ESTABLISH RATES FOR ANY OTHER UTILITY HIGHER THAN THOSE NOW IN EFFECT WHICH HAVE BEEN ESTABLISHED BY THE RAILROAD COMMISSION.

Redwood City intends to emulate Palo Alto which owns its water, gas and electric systems, and with rates substantially less than those fixed by the Railroad Commission, made a profit of $167,000 in 1932. THIS PROFIT IS FAR MORE THAN THE ENTIRE COST OF THE GOVERNMENT OF REDWOOD CITY. EIGHTY-THREE CITIES IN THE UNITED STATES HAVE ALL THEIR GOVERNMENT COSTS PAID OUT OF PROFITS FROM PUBLIC UTILITIES AND HAVE NO LOCAL TAXES.

THIS AMENDMENT DOES NOT AUTHORIZE THE ISSUANCE OF "REVENUE BONDS" BY THE CITY COUNCIL. The threat of "revenue bonds" is a BUGABOO INVENTED BY THE POWER INTERESTS TO FRIGHTEN THE VOTERS. "REVENUE BONDS" have been satisfactorily used by Tacoma for 17 years to finance its public utilities, but WILL NOT BE USED BY THE CITY COUNCIL to purchase an electrical distribution system or other utility to be acquired. Furthermore, REVENUE BONDS DO NOT AND CANNOT IMPOSE A TAX LIABILITY ON PRIVATE PROPERTY AND ARE ESPECIALLY DESIGNED TO AVOID SUCH TAX LEVIES.

NEITHER AMENDMENT MAKES THE CITY MANAGER A CZAR NOR GIVES THE CITY MANAGER ANY POWER NOT ALREADY POSSESSED BY HIM UNDER THE CHARTER. The City Manager is now Superintendent of our public utilities and will continue to superintend any new utilities to be acquired.

BOTH AMENDMENTS HAVE BEEN APPROVED BY ALL OF THE MEMBERS OF THE BOARD OF FREEHOLDERS WHICH PREPARED THE PRESENT CHARTER, EXCEPTING WALTER KELLOGG, local manager of the Pacific Gas & Electric Company, and one other member. Both amendments have been UNANIMOUSLY ADOPTED BY THE CITY COUNCIL and endorsed by the Board of Directors of the local Chamber of Commerce, the LIONS' CLUB, the Board of Directors of the KIWANIS CLUB, the EXCHANGE CLUB and REDWOOD CITY DISTRICT REAL ESTATE BOARD. THE AMENDMENTS ARE OPPOSED ONLY BY THE POWER INTERESTS AND A "PAPER ORGANIZATION" SET UP BY THEM.

Voters—read the accompanying explanation of the City Council's plan for the acquisition of additional utilities in other columns of this issue of this paper.

Don't be misled by the propaganda of the power interests which is always used to fool the people when an issue of public ownership of public utilities is raised.

VOTE "YES" ON BOTH AMENDMENTS.

ELECTION TUESDAY, March 28th. POLLS OPEN from 6 a. m. to 7 p. m.

YOUR VOTE IS NEEDED.

S. M.-Hayward Bridge Loses Money, Report

Cost of general upkeep, hire of agents and labor, taxes, and amortization (liquidating of debt), exceeded by nearly $300,000 the income from tolls on the San Mateo-Hayward transbay bridge for the past year.

This information was laid before the board of supervisors this afternoon by A. W. Deuel, manager, in the annual report of the San Francisco Bay Toll Bridge Company, operators of the bay crossing.

The actual loss was placed at $299,546.25.

Tolls for the year amounted to $443,265.80.

Charges were as follows:
General upkeep, $13,811.37.
Labor and agents, $522,525.92.
Amortization and taxes, $206,474.96.

The actual cost of the span and its value is given as $7,170,939.07.

Scout Leaders Hear Authority On Short Story

More than 40 leaders, sponsors and committee members of the Sequoia District Girl Scouts were in attendance Monday at the clubroom of the high school to hear Miss Edith Mirrielees, author and professor of English at Stanford University, tell of the importance of narration in the development of girl character.

Speaking particularly on the short story, on which she is an authority, Miss Mirrielees said, "Choose well-tested short stories simple and classic in style, and read them rather than re-tell them. Select them to stir the imagination and by thus stimulating emotion enable the listeners to live vicariously."

Frank Stockton's short stories, such as "The Griffin and the Canon," Kipling's jungle stories, and bound volumes of St. Nicholas and the Youth's Companion were recommended by the speaker as helpful sources.

Miss Mirielees, in addition to her work at Stanford and as a writer, is instructor during the summer months at the Sugar Loaf school of writing for professionals in New England.

The meeting was called by Mrs. A. S. Kalenborn, chairman of the badges and awards committee. Other members are Mrs. E. L. Kilbourne, Mrs. H. M. Hinchman, Mrs. Otis L. McIntyre, Mrs. J. Wells Pleas and Miss Maude Stilleson.

Tea was served by the following members of Chipmunk troop, under the direction of Mrs. L. G. Schelling: Lois Hellman, Phyllis Esterberg, Bernice Tucker, Jane Reynick and Elizabeth Schelling.

Program for the second quarter was discussed, and arrangements were made to take charge of the evening church service April 2.

V.F.W. District Meeting Set for R. C. April 22

Announcement of the selection of Redwood City as the scene of the next district meeting of the Veterans of Foreign Wars was made by District Commander George Craig at a meeting of Corp. James Lindesay Wilson Post No. 2310 of this city Tuesday at Veterans' Hall.

Plans for a large demonstration on the occasion of the district session here are being made by the local post. Approximately 2000 visitors are expected, and assurance has already been given that there will be four drum corps and two bands present to participate in the festivities, which are to be held in Veterans' Hall.

Donald Sevier, commander of Corporal Wilson post, presided at last night's meeting, at which other notable guests in addition to the district commander were District Chief of Staff Frank Rosendorf and District Inspector Carl Hubbard.

Among the reports was that of the allocation of a tract of land in the San Mateo County Memorial Park by the board of supervisors for the use of veterans' organizations of the county. Members of the post are planning to attend an important meeting of the United Veterans' Council of Redwood City Thursday evening in Veterans' Hall to hear complete details on the camp project.

Comrade Al Edmonds was reported ill in the Mare Island Hospital and Comrade John Fischer in the Palo Alto Hospital.

Attention of the members was called to the lodge notice of the post appearing daily in The Tribune.

Notice to proceed with the search of title and acquisition of the site for the new $115,000 Redwood City postoffice was received in San Francisco today by I. M. Peckham, United States attorney for this district, in advices from the treasury department in Washington.

The new postoffice will be located on Jefferson avenue between Middlefield road and Broadway. The site was offered by Daniel Flynn and associates and John W. Poole for $17,500.

It is expected that two weeks to a month will be necessary before Attorney Peckham can recommend the purchase to the treasury department.

Pork, Beef Are Taken From R. C. Barbecue Stand

Thirty pounds of pork and beef were carted off by a thief who broke into the Fat Boy Barbecue at 1801 El Camino Real, corner of Chestnut street, early Tuesday.

A quanity of cigars and cigarettes and $1 in pennies were also taken.

Police Chief C. L. Collins and officers searched the city a few minutes after the burglary was discovered by Officer James Snider at 4:10 this morning. No trace was found of any suspects.

Entry to the stand was gained by jimmying a rear door.

Mrs. M. L. Snyfeld, manager, said she closed the place securely at 1 a. m.

Police Find Loot Hidden In Creekbed

SAN MATEO, Mar. 18.—Loot taken from the residence of F. S. Fenton Jr., 354 Parrott drive, and a set of burglar's tools were discovered hidden in a San Mateo creekbed today by Chief of Police Thomas Burke when directed to the cache by Earl Mann, one of two men held in connection with the theft.

Mann and his companion, Nathan Rapp, were bound over to the superior court after a preliminary hearing in the justice court here.

They were apprehended after police had traced the license number of an automobile which Fenton saw driving away from his home.

Slain Woman's Estate Filed; Worth $16,000

Mrs. Katherine Vuica, 44, murdered by her husband, Martin Vuica, 49, San Mateo oil station proprietor, on March 6, left an estate of $16,000, a petition for letters filed here today by her sons disclosed.

The sons, Joseph Vuica, 22, and Stephen Vuica, 21, state that their father, Martin, would be entitled to the letters on the wife's estate except that he is being detained on a murder charge.

Agnew & Boekel, San Francisco, is the law firm handling the estate for the sons.

Vuica will be arraigned Monday before Judge Maxwell McNutt, Deputy District Attorney Harold F. Anderson of District Attorney Edmund Scott's office announces.

Death Auto Driver Gets 30 Day Term

Walter Young, 40, of 28 Cavour street, Daly City, a salesman, today began serving a 30-day term in the county jail on a charge of manslaughter.

Sentence was passed by Superior Judge Franklin Swart after denying Young's plea for probation.

Young's car collided with one in which Warren Schumacher, 13, Brookdale, Santa Cruz county, boy was riding on February 17 at the Salada Beach-Skyline boulevard intersection. The boy was fatally injured.

Control of Walley Estate Is Requested

Mrs. M. J. Crowley today applied for letters of administration in the estate of her brother, A. S. Walley, who died January 11, last. The estate is valued at $1500 and consists principally of a disputed claim for benefits under the workmen's compensation act from the Pratt-Low Preserving Company. Wayne R. Millington of Redwood City is petitioner's attorney.

Refuse Dump At Bayshore Is Protested

Vigorous protest against the further dumping of San Francisco's 600 tons of daily garbage at Bayshore was voiced today by the Brisbane Public Utility District.

The Brisbane directors join the Bayshore Sanitary District in fighting the practice.

At the same time, City Administrator Alfred J. Cleary of San Francisco returned from a garbage survey in the Pacific Northwest with the announcement that he will recommend the continuance of the "fill and cover" method used at Bayshore as the most practical.

The Brisbane protest, on file with the board of supervisors, sets forth among other things that the oil being used to cover the garbage is creating a serious fire hazard.

Advertising and Business Show Marked Advance

Both local and national advertising have shown decided increases since the re-opening of the banks last Wednesday. This was evidenced in the Tribune and all peninsula and California newspapers during the past week and by space orders placed for this week.

The increase in space was marked by one of the best buying week-ends that has been experienced here in many months, according to local merchants.

"The depression ended with our spring opening" was the statement made by one Redwood City merchant.

The rush for new business by merchants and manufacturers is bringing the newspaper into greater use than ever before, according to F. R. Gamble, executive secretary of the American Association of Advertising Agencies.

And another nationally known advertising man, Kenneth Collins, declares: "The merchant who advertises and goes after business today, through the newspaper in his community, by the end of the year is going to be five years ahead of his competitor who holds back."

Information Filed In Vuica Slaying

Information charging Martin Vuica, 49, San Mateo oil station operator, with murder of his wife, Katarina, 44, on March 6, was filed with County Clerk Elmore B. Hinman today by Deputy District Attorney Harold F. Anderson of District Attorney Edmund Scott's office.

A second information charges Nathan Ropp and Earl Mann with burglary of the F. S. Fenton home, 354 Parrott drive, San Mateo, on March 12.

Vuica and the other two were held to answer to the superior court by Police Judge Louis Kinnell, San Mateo.
